

ENVIRONMENTALLY CONTROLLED CLEAN ROOMS

Environmental control is critical in laboratories and clean rooms; Enviro Buildings® offers the ideal defense against dirt, dust and other contaminating particles along with a choice of wall finishes—stainless steel, epoxy coated galvalume, and galvanized steel with white baked enamel finish. Everything you need for a perfectly sterile clean room or laboratory environment.

A photograph of a clean room interior. The walls are white and appear to be made of panels. There are three circular fans or lights mounted on the wall. The floor is a smooth, light-colored surface. The lighting is bright and even.

The Ultimate in Customization
Crafted to provide utmost customization while ensuring top-tier functionality, Enviro Buildings® are the go-to solution for your premises.

Laboratories and Clean Rooms

With advanced technology and meticulous design, Enviro Buildings® Clean Rooms are engineered to meet the highest industry standards and regulations, providing peace of mind for businesses across sectors.

Tailored to Your Needs:

We recognize that a one-size-fits-all approach falls short. That's why our modular clean rooms are entirely customizable to suit your specific requirements. From size and layout to added features like HVAC systems, they can be tailored to your operational demands.

Stringent Quality Control:

Our clean rooms undergo rigorous quality control checks to ensure they meet industry standards and regulations, providing a reliable and consistent performance.

Ideal Materials:

Enviro Buildings® offers the ideal defense against dirt, dust and other contaminating particles along with a choice of wall finishes—stainless steel, aluminum, and galvanized steel with white baked enamel finish. Everything you need for a perfectly sterile clean room or laboratory environment.

Energy Efficiency:

Enviro Buildings® Clean Rooms are designed to be energy-efficient, helping you reduce operational costs while maintaining optimal environmental conditions.

Customer-Centric Approach:

Enviro Buildings® is committed to prioritizing our customers. Our dedicated team collaborates closely with you to comprehend your unique operational challenges and deliver clean rooms that not only meet but exceed your expectations.
